

CALVARY CHRISTIAN ACADEMY & PRESCHOOL UNIFORM INFORMATION

Welcome to a new school year! We have made some changes/additions to our uniforms so please read all information carefully to make sure your child will be in compliance with our approved dress codes. We have two excellent companies, Lands' End and French Toast, to meet all your school uniform needs. These companies offer a range of prices and sizes to make your shopping easier.

If you do find one of our uniform items in a local store please be sure it is one of our approved styles. If you have any questions regarding an item, keep your receipt and bring the item to the office for approval.

School Source Codes:

- Lands' End: 9001-0371-4
- French Toast: QS5KDLG (NO PLAID)

Make sure to use proper school source codes when ordering from Lands' End and French Toast. These codes guarantee that you will be ordering our approved styles. ***Please note that some styles are approved for certain grades only. Plaid is only available through Lands' End.***

General Information:

- **Students may not wear any sweater, jacket, etc. in the classroom that is not an approved uniform item.** There are plenty of approved uniform items available to keep your child warm in any situation while on campus- this includes the gym and chapel.
- The office will continue to stock any items ***that are in good repair*** for parents to take and use at no charge- please be courteous and only take what you need and return the favor by bringing in any items your child has outgrown for another parent to be blessed with.
- **Only Lands' End carries the approved plaid skirts and jumpers.**
