

VALENTINE GOODIES!

Dear Parents,
Valentine's Day is just around the corner, and we all know how much you love your children! The Senior Class of 2021 will be selling red heart-shaped mylar balloons. You may send your balloons from Mom, Dad, Grandparents, etc. Your child may even want to send one to their teacher or another student. The notes and gifts will be distributed on **Friday, February 12th**. We have several optional add-ons to the balloon for an additional cost. See the order form below for details. Thank you for supporting our Seniors!
