

SUMMER READING

Cultivate a lifelong friendship with literature!

Entering Second Grade

Dear Elementary Parent,

This school term has been very successful, and we are so grateful for the accomplishments of each of our students. We thank you for allowing us a year with your child.

It is a proven fact that “readers are leaders!” We want our students to enjoy their break from school – but not from reading! We think reading is important and would like your student to continue reading through the summer. If a student completes the reading and the paperwork, he will have a special reading surprise in the first week of school in the fall. A list of recommended reading is attached.

It is our prayer that your summer is relaxing, refreshing, and replenishing.

Sincerely in Christ,
Don Russell, Administrator

Please keep track of summer reading progress and complete the assignments. Teachers will collect the journals in August. Have a great summer!
