

## CCA Rocketry Club

### Corporate Sponsorship Form

The Calvary Christian Academy Rocketry club is a STEM club designed to foster an environment for students with a desire to pursue technical fields of study. Starting this year, the team is participating in the largest model rocketry contest in the world, The American Rocketry Challenge. The annual contest consists of teams of Jr High and High School students who work together to design, build, simulate, test, and fly a model rocket carrying a raw egg to an exact altitude and back in a specific time period. This challenge requires the students to use every aspect of STEM principles to be successful. The top 100 team in the nation receive the opportunity to compete at the finals near Washington, DC in May of 2024.

We need companies that understand the importance of fostering STEM principles in the upcoming generation, who will then be ready to take the mantle and lead the industry throughout the next century. We are looking for sponsors that will invest in our club to give us the needed resources to design, build, test, fly, troubleshoot, re-design, fly, qualify and successfully meet all requirements of the contest. Can we count on you to be one of those sponsors?

All sponsorships will include Company name/logo on team shirt, banner, and social media pages. Higher levels of sponsorship will include additional recognition listed below.

**Estes Alpha: \$250.00** - Company name/logo on team shirt and banner small font.

**Sounding Rocket: \$500.00** - Company name/logo on team shirt and banner medium font.

**Falcon Heavy: \$1000.00** - Company name/logo on team shirt and banner large font. Name/logo on all qualifying launch rockets.

**Space Launch System: \$2500.00** - Company name/logo on team shirt and banner large font. Name/logo on all qualifying launch rockets. Prominent recognition on all team social media.

**Saturn V: \$5000.00** - Recognition as teams prime sponsor(s) on team shirts and banners, x-large font. Name/logo listed on **ALL** rockets launched, social media recognition as prime sponsor(s)
